## 'Jal Doot' Program Under Jal Shakti Abhiyan: Catch the Rain Campaign

'Jal Shakti Abhiyan: Catch the Rain' Campaign was launched by Hon'ble Prime Minister on 22.03.2021. The campaign focuses on rainwater harvesting, water conservation, enumerating, geo-tagging & making inventory of all water bodies; preparation of scientific plans for water conservation, setting up Jal Shakti Kendras in all districts, intensive afforestation and awareness generation. The students represent the most dynamic and influential segment of the community, capable of driving significant social and environmental change.

In order to spread a word for water conservation in the students of classes VIII-XII the school organized an event on awareness for saving water on May 3&4 under which about 82 students of classes VIII participated for poster making competition on water conservation. Students of class X also organized an assembly on the theme water conservation. In which students were enlightened about the importance of water conservation through, speech, self-composed poems, group song. At the end the students also took a pledge to conserve water.
